**EUROPEAN
RABBITS**

Able to adapt to almost any type of habitat, the sociable European rabbit lives in underground colonies that can be very large. So great are their numbers that they are considered pests in many parts of their range. Unlike wild rabbits found in North America, European rabbits live in vast, underground burrows called warrens. Tracks in the snow are signs that a colony lives nearby. Also, clusters of small, round droppings on the ground are an indication that a warren is close.

EDITOR'S NOTEBOOK

Dear Archie Readers,

First, I want to remind all of you that starting next month Archie Comics will be publishing a new line of comics. All of your favorite HANNA-BARBERA characters will be available in their own comics on the newsstand and in comic shops. You can also look for special subscription ads in Archie titles this month.

The first two issues will be THE FLINTSTONES #1 and THE JETSONS #1. These collector's editions contain ALL NEW STORIES. The stories are so funny, they'll keep you laughing, even if you have to stay after school, study for finals, take out the garbage or babysit your little sister or brother.

Now for a COMIC CONVENTION UPDATE!

The SAN DIEGO COMIC CONVENTION will be held July 27th thru July 30th at the SAN DIEGO CONVENTION CENTER, 111 W. Harbor Drive, Downtown San Diego, California. If you live in or will be visiting the area during that time, please stop by the convention and, of course, the Archie booth. I'm always eager to meet Archie fans. Archie fans are always eager to give me advice like, "You should really try bungee jumping!"

Anyway, this is probably going to be the biggest and bestest comic convention in the history of mankind. If you can make it, you'll be happy you did.

That's all for now. See ya next month.

GARGOYLES

TRADING CARDS

DOWN

Sundown approaches. It is time. A web of cracks stitch across the stone surface of a leering statue. The stone powders and explodes. From the debris emerge *Gargoyles*. Stone by day, fearsome flesh and blood creatures by night—these winged warriors battle modern day barbarians.

Dark. Foreboding. And menacing. *Gargoyles* is set against the backdrop of New York City's night. The first dramatic action series from Disney Television Animation premieres in syndication this fall.

AFRAID

Collect all the Gargoyle heroes captured in dramatic animation. You'll find evil archenemies lurking in each episode, along with character and battle card subsets. All in this premium 90-card series debuting April 1995.

- Bonus pop-up cards in every pack.
- Randomly inserted bonus two-sided foil Spectra Cards.
- Exchange card for a free *Gargoyles* home video.
